SPECTATOR

CLASS OF 1947
WAYNE HIGH SCHOOL

FOREWORD

With the 1947 Spectator, we have crossed one of the rivers which make up the ocean of life.

If, many rivers later, this proves to be more cherished than it is today, it will indeed be a gem in your treasure chest of memories, and the staff will be justly rewarded for its work.

GEORGE OLSON

RUTH BOOT

DEDICATION

We sincerely dedicate this annual to Miss Boot and Mr. Olson, our sponsors who have so generously given their time and talent. Their friendship and influence have been felt and greatly appreciated by the class of "47."

ADMINISTRATION

MR. McCOY

MR. RANDALL

MISS BOOT

Mr. McCoy, superintendent, is the Admiral commanding the Wayne schools. Admiral McCoy was born on a farm in Vernon County, Missouri in 1895. He dispelled the age-old theory about the green farm boy by receiving his honorable discharge from high school at sixteen, and graduating from Wm. Jewell College at twenty, with a B.S. degree. He also sailed through the University of Missouri, coming into port with a B.S. degree.

Other travels on the sea of life took him to Columbia University, where he received an M.A. degree; and the University of Michigan.

During his voyage he has developed a great interest in various fields of education, commercial art, history, philosophy, physical science, and psychology.

With many activities on deck, Admiral McCoy leads a varied and interesting life.

Mr. Randall, principal, is vice-admiral. He has retained the position for four years. During this time he has made many friends and acquaintances among the student body.

Vice-admiral Randall was born in Casnovia in 1904.

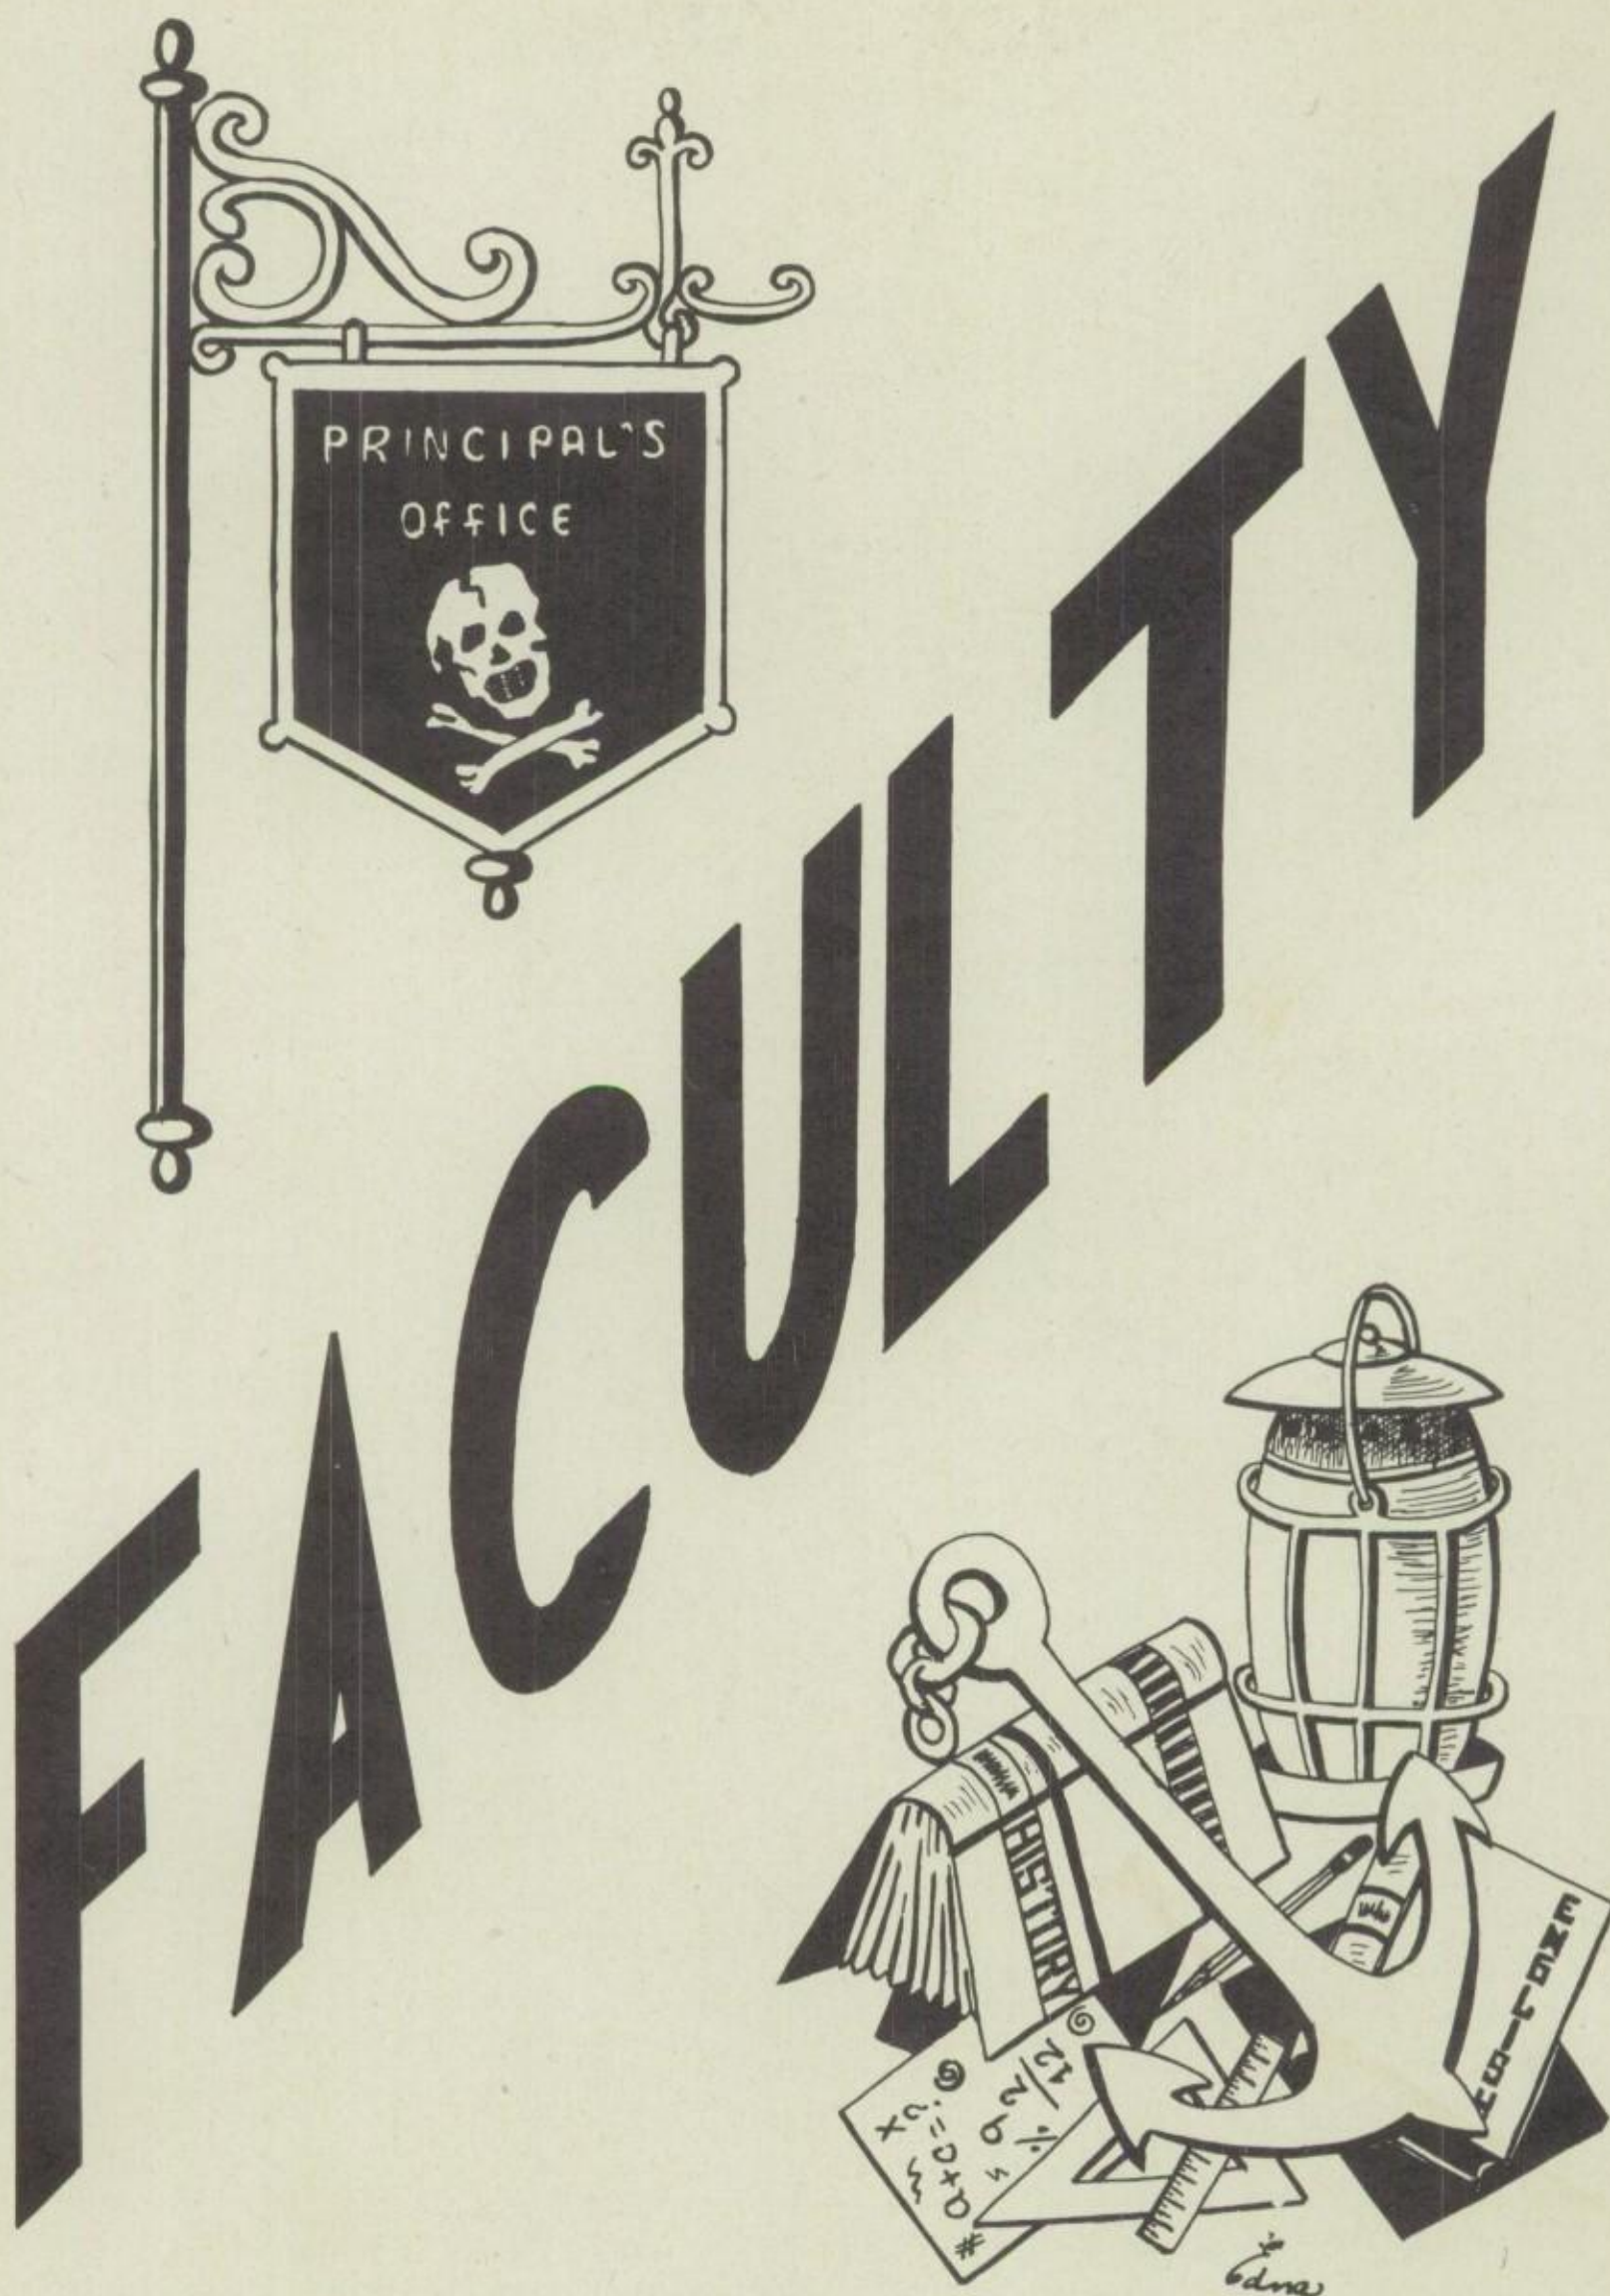

A sheepskin was awarded him for a B.A. degree from Western Michigan College. Later on he received a Master's Degree from Harvard University.

Aside from school, he has many other responsibilities. He is vice-president of the Secondary School Principals Association, vice-president of the Wayne Kiwanis Club, chairman of the State Secondary Curriculum Committee, and a member of several state committees.

Miss Boot, assistant principal, encounters many serious and difficult problems trying to keep the students on a true course.

She was born at Albany, Illinois, and received a great share of her education in Illinois. After attending high school at Fulton, Illinois, she went to Northern Illinois State Teachers' College and the University of Illinois, where she was granted her Bachelor of Science Degree.

As Senior Class Sponsor, her largest task this year was helping to make this Spectator a success.

PRESIDENT'S MESSAGE

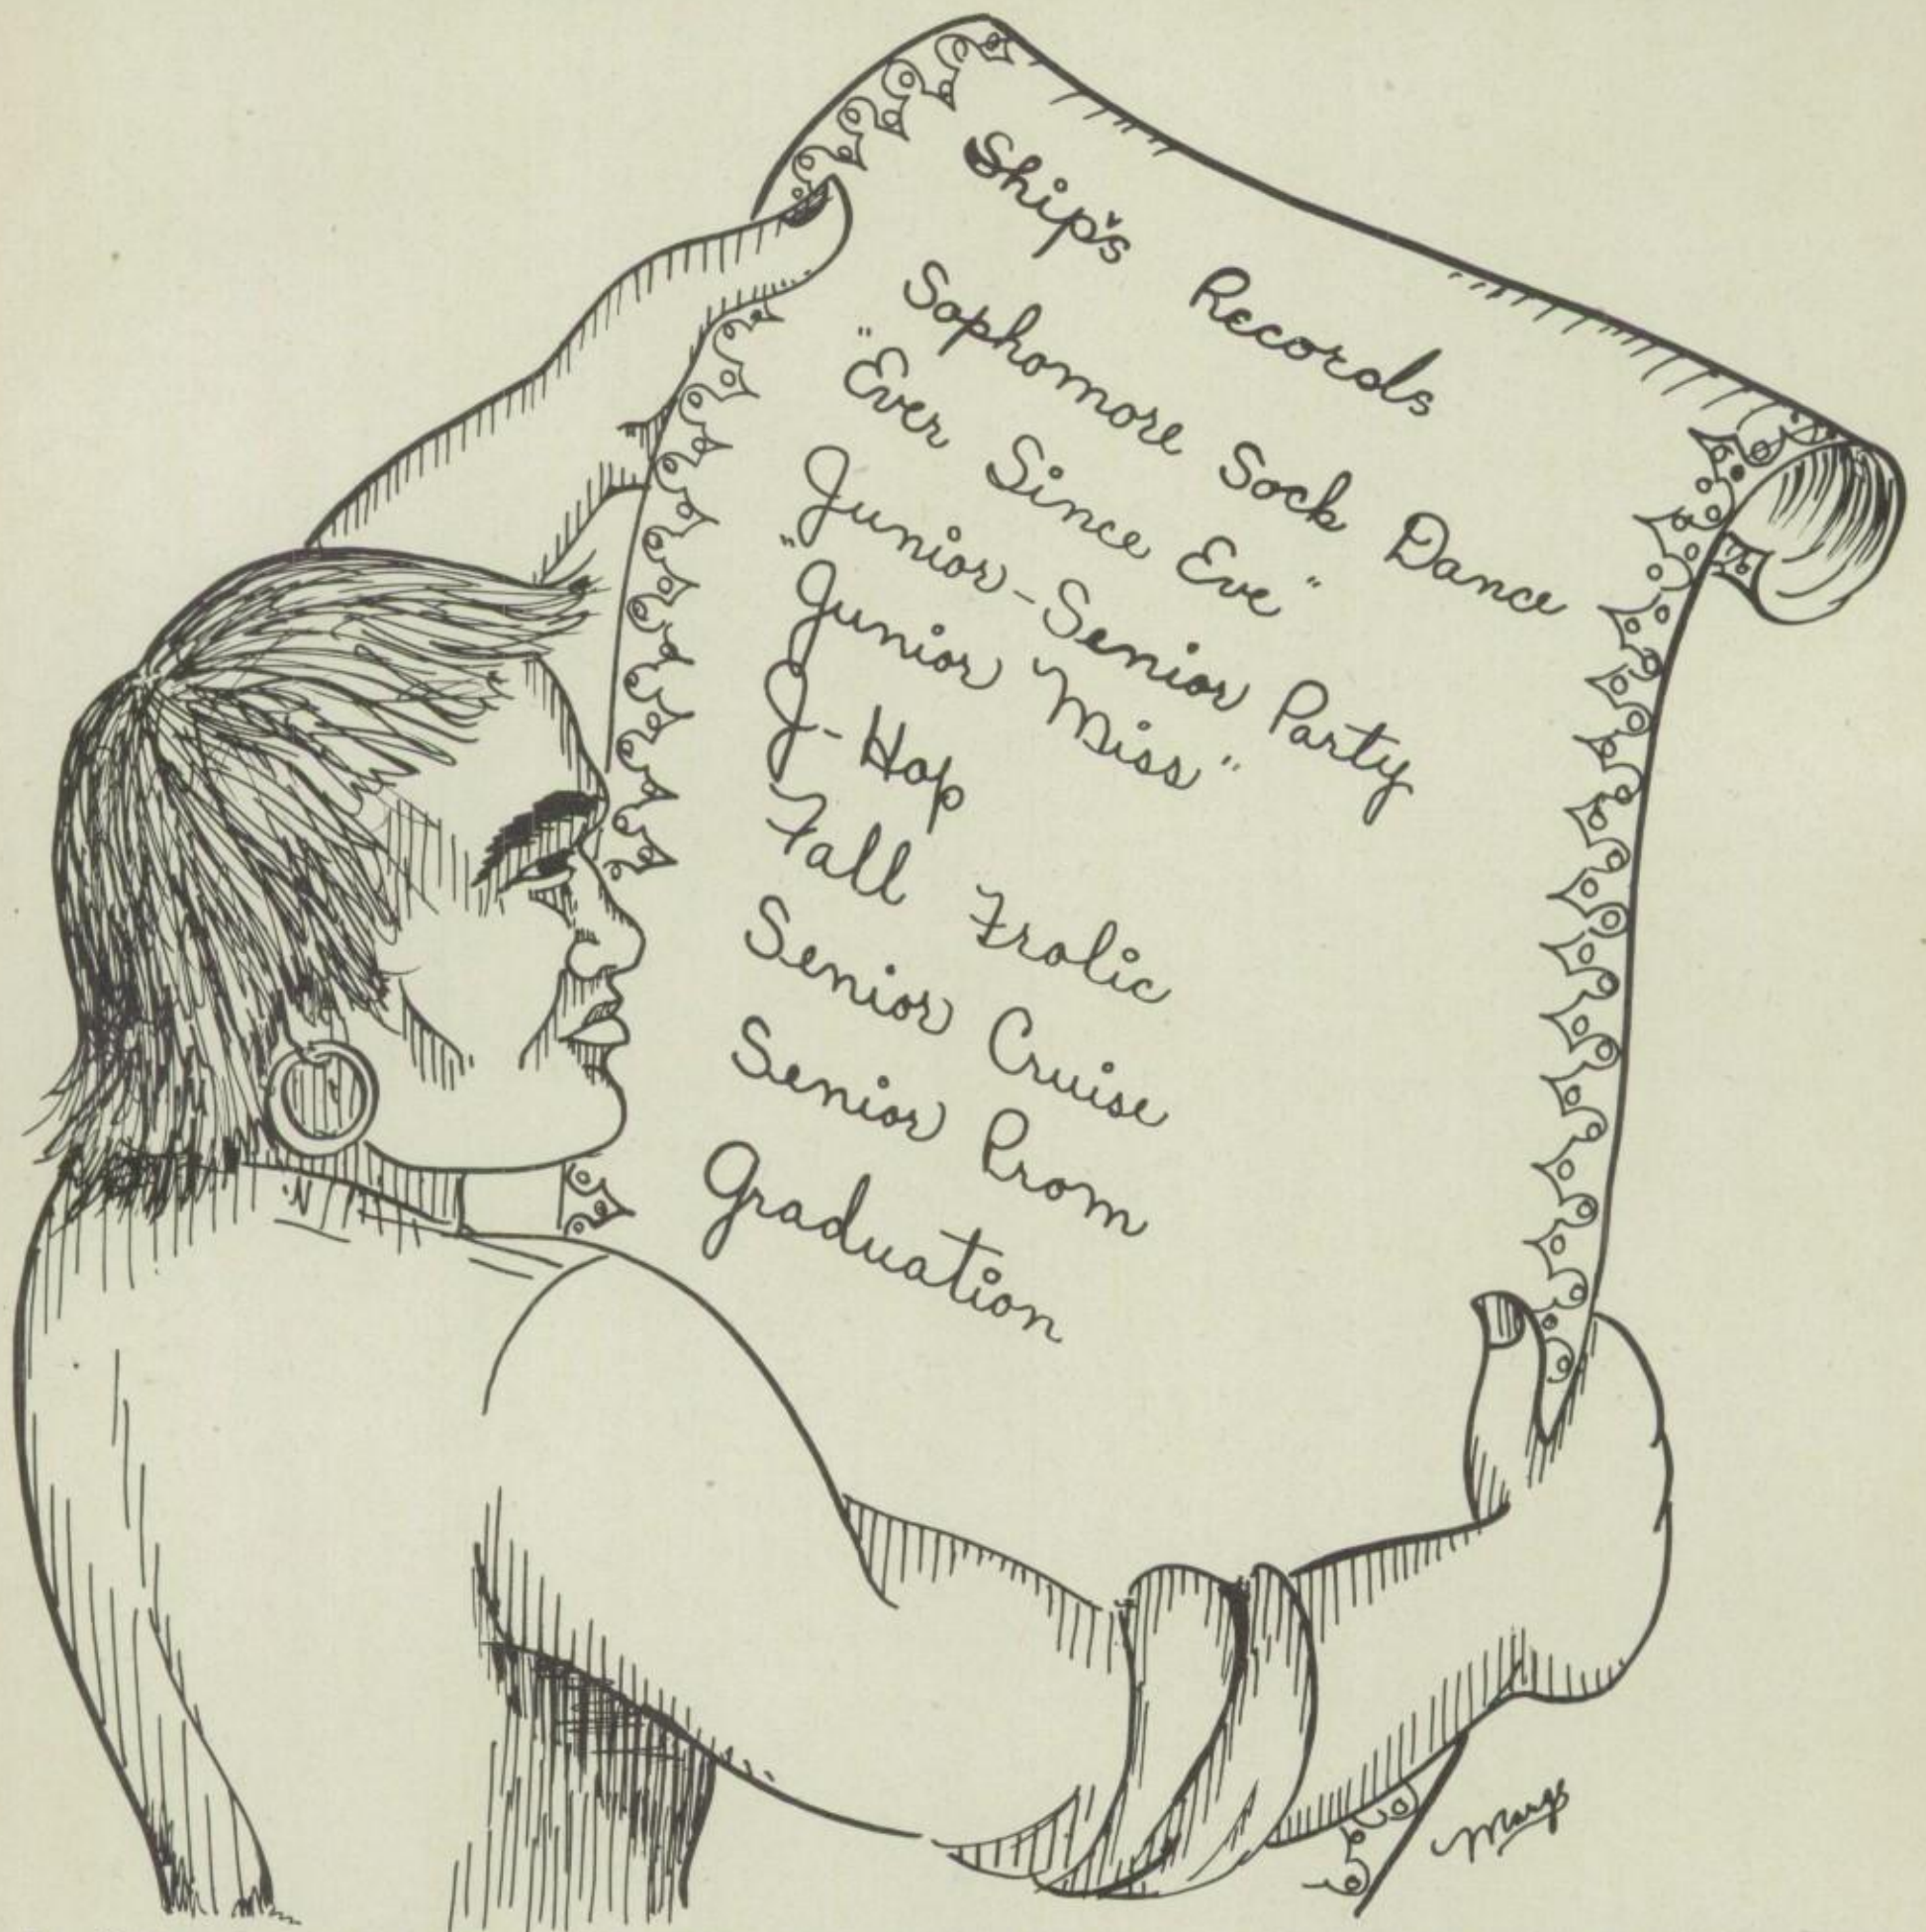

The four year cruise of the class of 1947 has been successfully completed. A voyage that is to be looked forward to by every freshman in Wayne High School. It has not been an easy journey but an interesting one in which we have been able to obtain knowledge and experience that will help us to live better in the post War World.

The 1947 crew was fortunate in having two superior seamen--Miss Ruth Boot and Mr. George Olson to help chart the course and steer the craft. With their understanding guidance we have been able to make a successful crossing.

The ocean lies ahead and it will be in the mastery of this last great challenge that victory will lie.

SENIOR CLASS HISTORY

A twenty-one spit-ball salute heralded our entrance on board the good ship "W. H. S. Freshman" in September '43. Under the supervision of Captain Bob Loveless we learned our way about the ship. After stowing our gear, we settled down to work. Our social functions were few, probably because of seasickness.

Next year all hands changed berth to the "W. H. S. Sophomore." Captain Joe Jaskolski found us now a seasoned crew. We had learned our way about ship and knew how to handle ourselves. This year our work was supplemented by two dances; one with shoes and one without.

The "W. H. S. Junior" was our next ship and we were really riding the waves. Captain Jim Green steered us clear of shoal water. This year we had many activities; various concessions at games, record dances, and sandwich sales. We presented "Ever Since Eve." The J-Hop, too, was a big event. We chose class colors and purchased our rings. All hands enjoyed the Junior-Senior Party.

Next year we really hit the top with a berth on the "W. H. S. Senior," commanded by Captain Ray Long. This was our last year on these seas, and the voyage seemed altogether too short. Many wonderful things occurred this year. The Fall Frolic and "Junior Miss," our Senior play, were two highlights. We all had a good time at the novelty Senior-Faculty basketball games. Class Night was also a lot of fun. Much hard work was involved in getting out the "Spectator," but all the year's work was topped off with the Senior Prom, held at the Dearborn Inn. Last, but not least, came the pleasure cruise aboard the "S.S. South American." On June 12, we received our honorable discharges from the "W. H. S. Senior."

TRIALS AND TRIBULATIONS OF THE STAFF

The staff of the "Spectator" sailed on rough water most of the time at sea.

Many problems bobbed above the waves, but were dashed under again when the sponsors and editors put their heads together.

Rubber cement was a sticky subject, but with a helpful hint from Miss Reardon, we were able to obtain it by veering off the course just a little.

One essential item to any staff is a methodical and competent mathematician. We succeeded in getting Miss Oberlin on board, since she was an experienced hand. With her as head in the math department, we had no worry about incorrect calculations, and did not waver on the course.

Typists are essential to the staff. This fact was discovered when copy was being prepared. We succeeded in obtaining seasoned members for the crew.

The many committees were willing hands, on call for deck work.

After much work, we pulled into port March 5, with our log "Spectator" for 46-47 completed; a journey well worth the time spent on it.

Class History

In 1944, the class began their activities as freshmen with Ted Neff as president. In the spring they broke a precedent by electing four members of their class to the Student Congress.

As sophomores, with John Abner as president, the class went into action. They sponsored two sandwich sales, a dance, and had a concession at one of the football games.

This year, after electing Stanley Kerbyson for their president, and electing their sponsors, the class sponsored several dances, sandwich sales, and sold Christmas cards. An event which caused a great deal of excitement before Christmas, was the arrival of the Class rings. The annual J-Hop which took place on Feb. 12 at McKinney Hall in Ypsilanti proved a great success. The class presented their play, "A Date With Judy," on March 27th and 28th. Another major event of the year was ordering class sweaters which are white and black, the class colors.

Class History

Boarding the good ship "Wayne High," the class of "49" set sail with Tom Tracy as skipper. The Blue Jean Jamboree rounded out their first cruise. It was a huge success.

Receiving their commissions as Sophomores, their new skipper, Brent Green held them on an even keel. A basketball concession, sandwich sale, and dance climaxed their activities for the year.

Two swell year before the mast deserve two more. Keep on your course kids!

FRESHMAN CLASS

OFFICERS

President	Leroy Albear
Vice-President	David Dendel
Secretary	Rosemary Madigan
Treasurer	Charles Smith
Sponsor	Mrs. Agnes Wickham

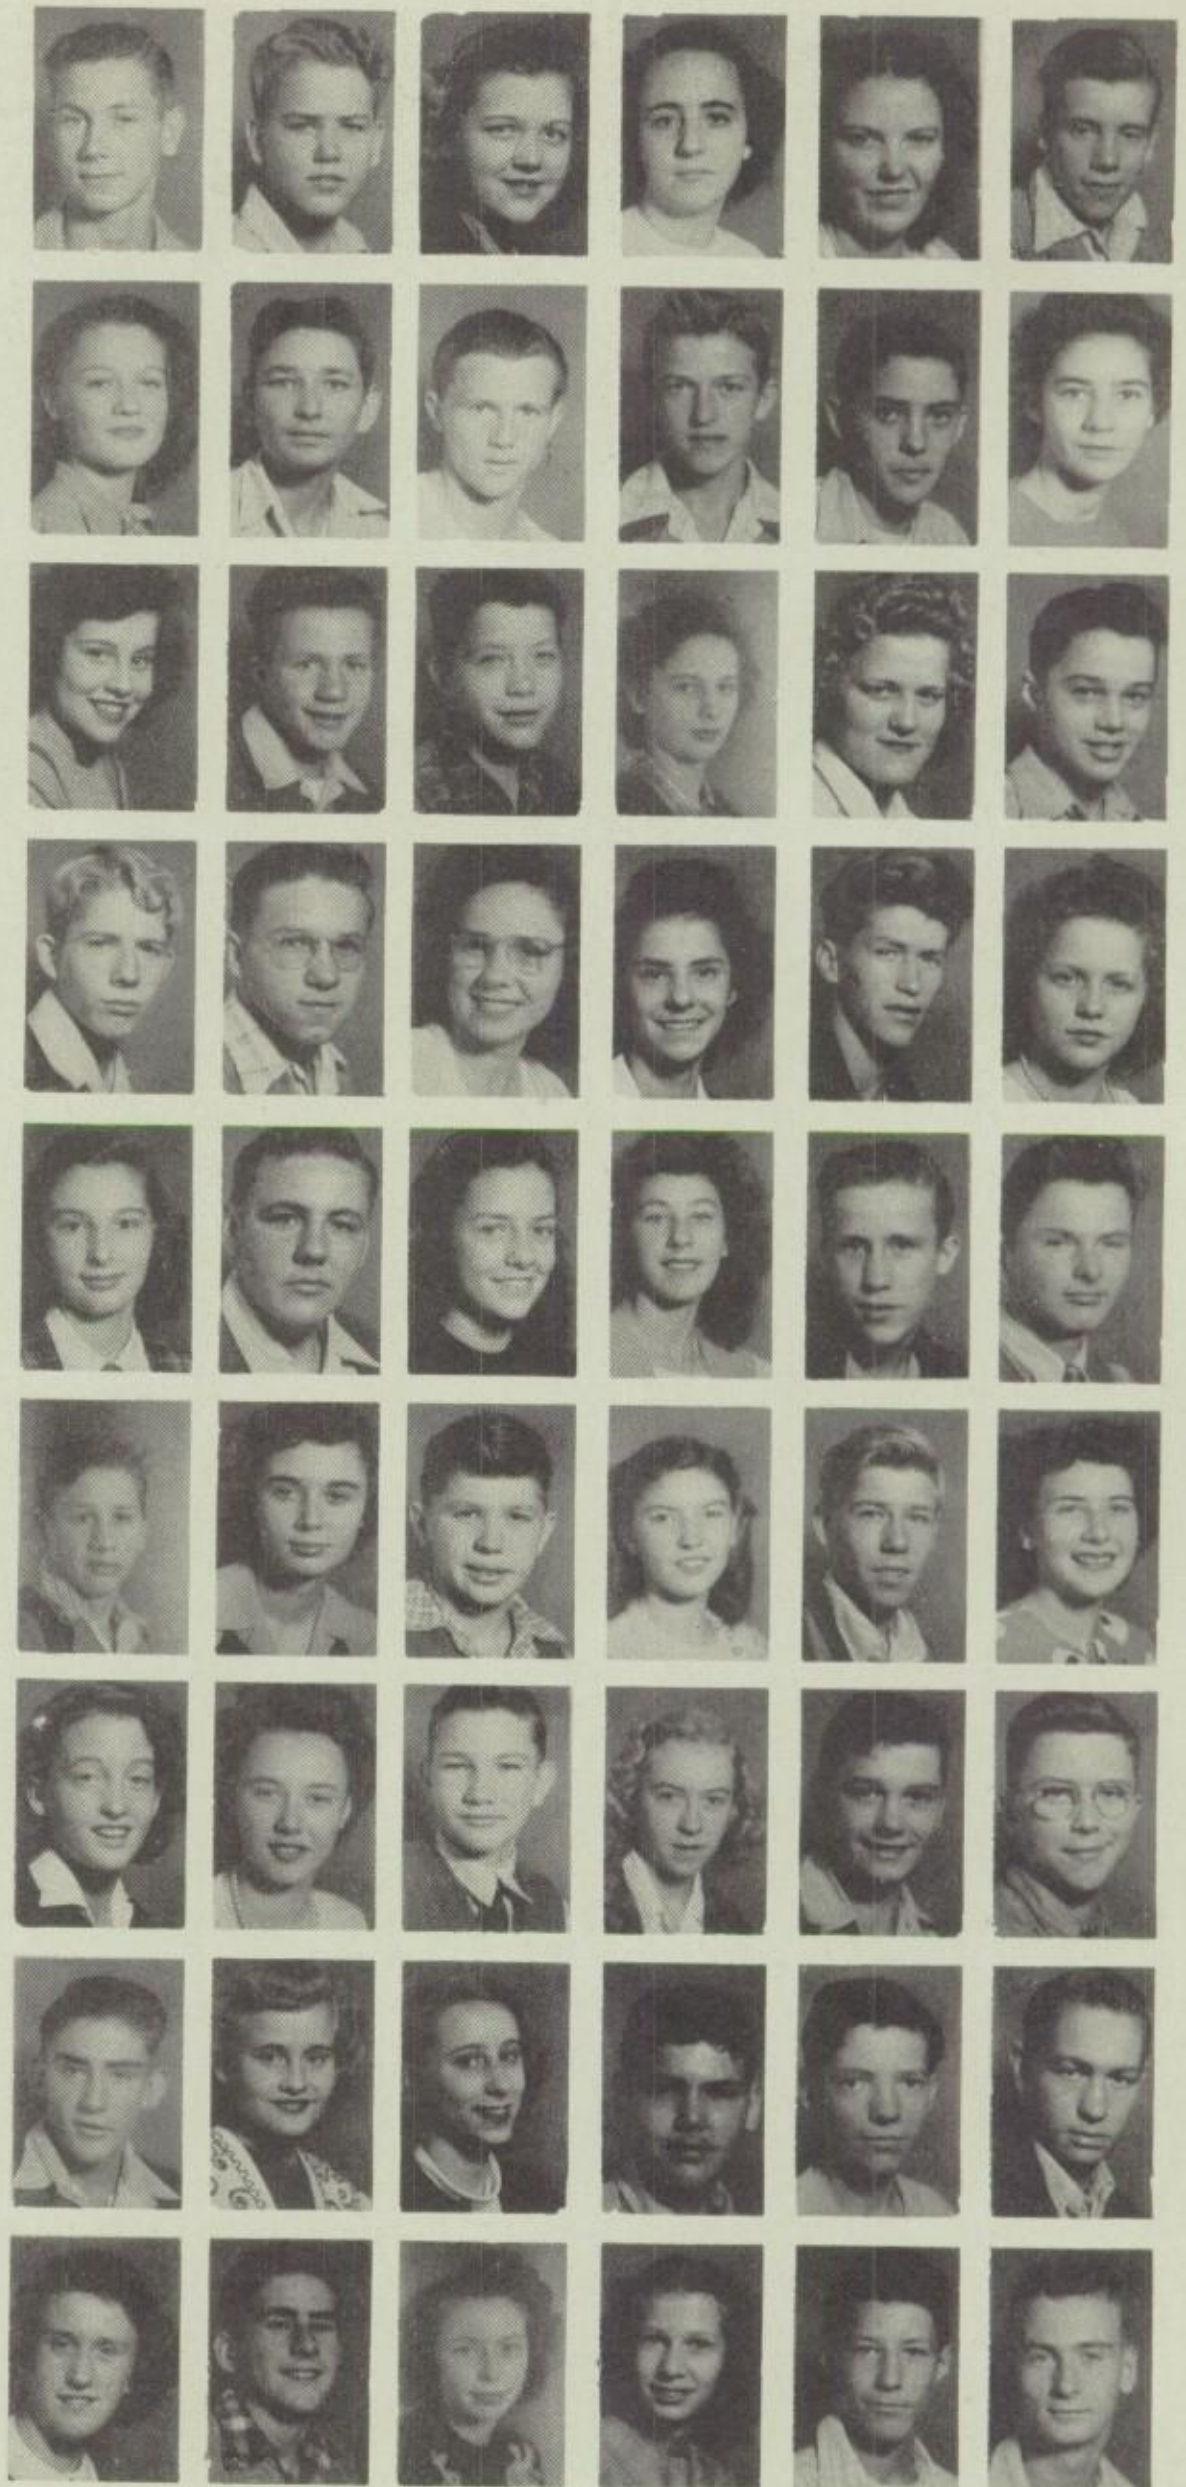

Class History

A crew of freshmen anchored at Wayne High School with the courage and pluckiness of pirates with hopes of gaining fame and honors in the future. When they had been divided into groups with about thirty students in each, they were then given an advising teacher who explained to them that they would be with this group for three classes; General Science, Social Science, and English. This arrangement was made so that they might become better acquainted with each other.

With Mrs. Wickham as their sponsor they elected officers for the coming year.

They have taken several trips this year. One was to the Shrine circus, where everyone had a good time, another was to the Dearborn Water Department. In February they had an "Overall Ball," which was a great success. Instead of the usual freshman bashfulness they had more people dancing than sitting on the sidelines. They also have an up and coming basketball team which is in line for a tie for first place in the championship games. Here's hoping the next three years will be as successful as this one.

OTHER WINNERS

MORE OF 'EM

MORE YET

The annual magazine drive had an added incentive this year, as we were national champs last year.

We received a rousing send off with an all school assembly. Numbers on the program were the Dr. O. P. U. Show, Allen's Alley, and Joe Shields singing the "The Old Lamplighter."

The student salesmen left the assembly, their brains teeming with ideas on how to get the neighbors to buy magazines.

After a week of watching the names in the hall shift around, it stopped with Miss Kionka on top. Her advisory group was rewarded with an all day theater party in Detroit.

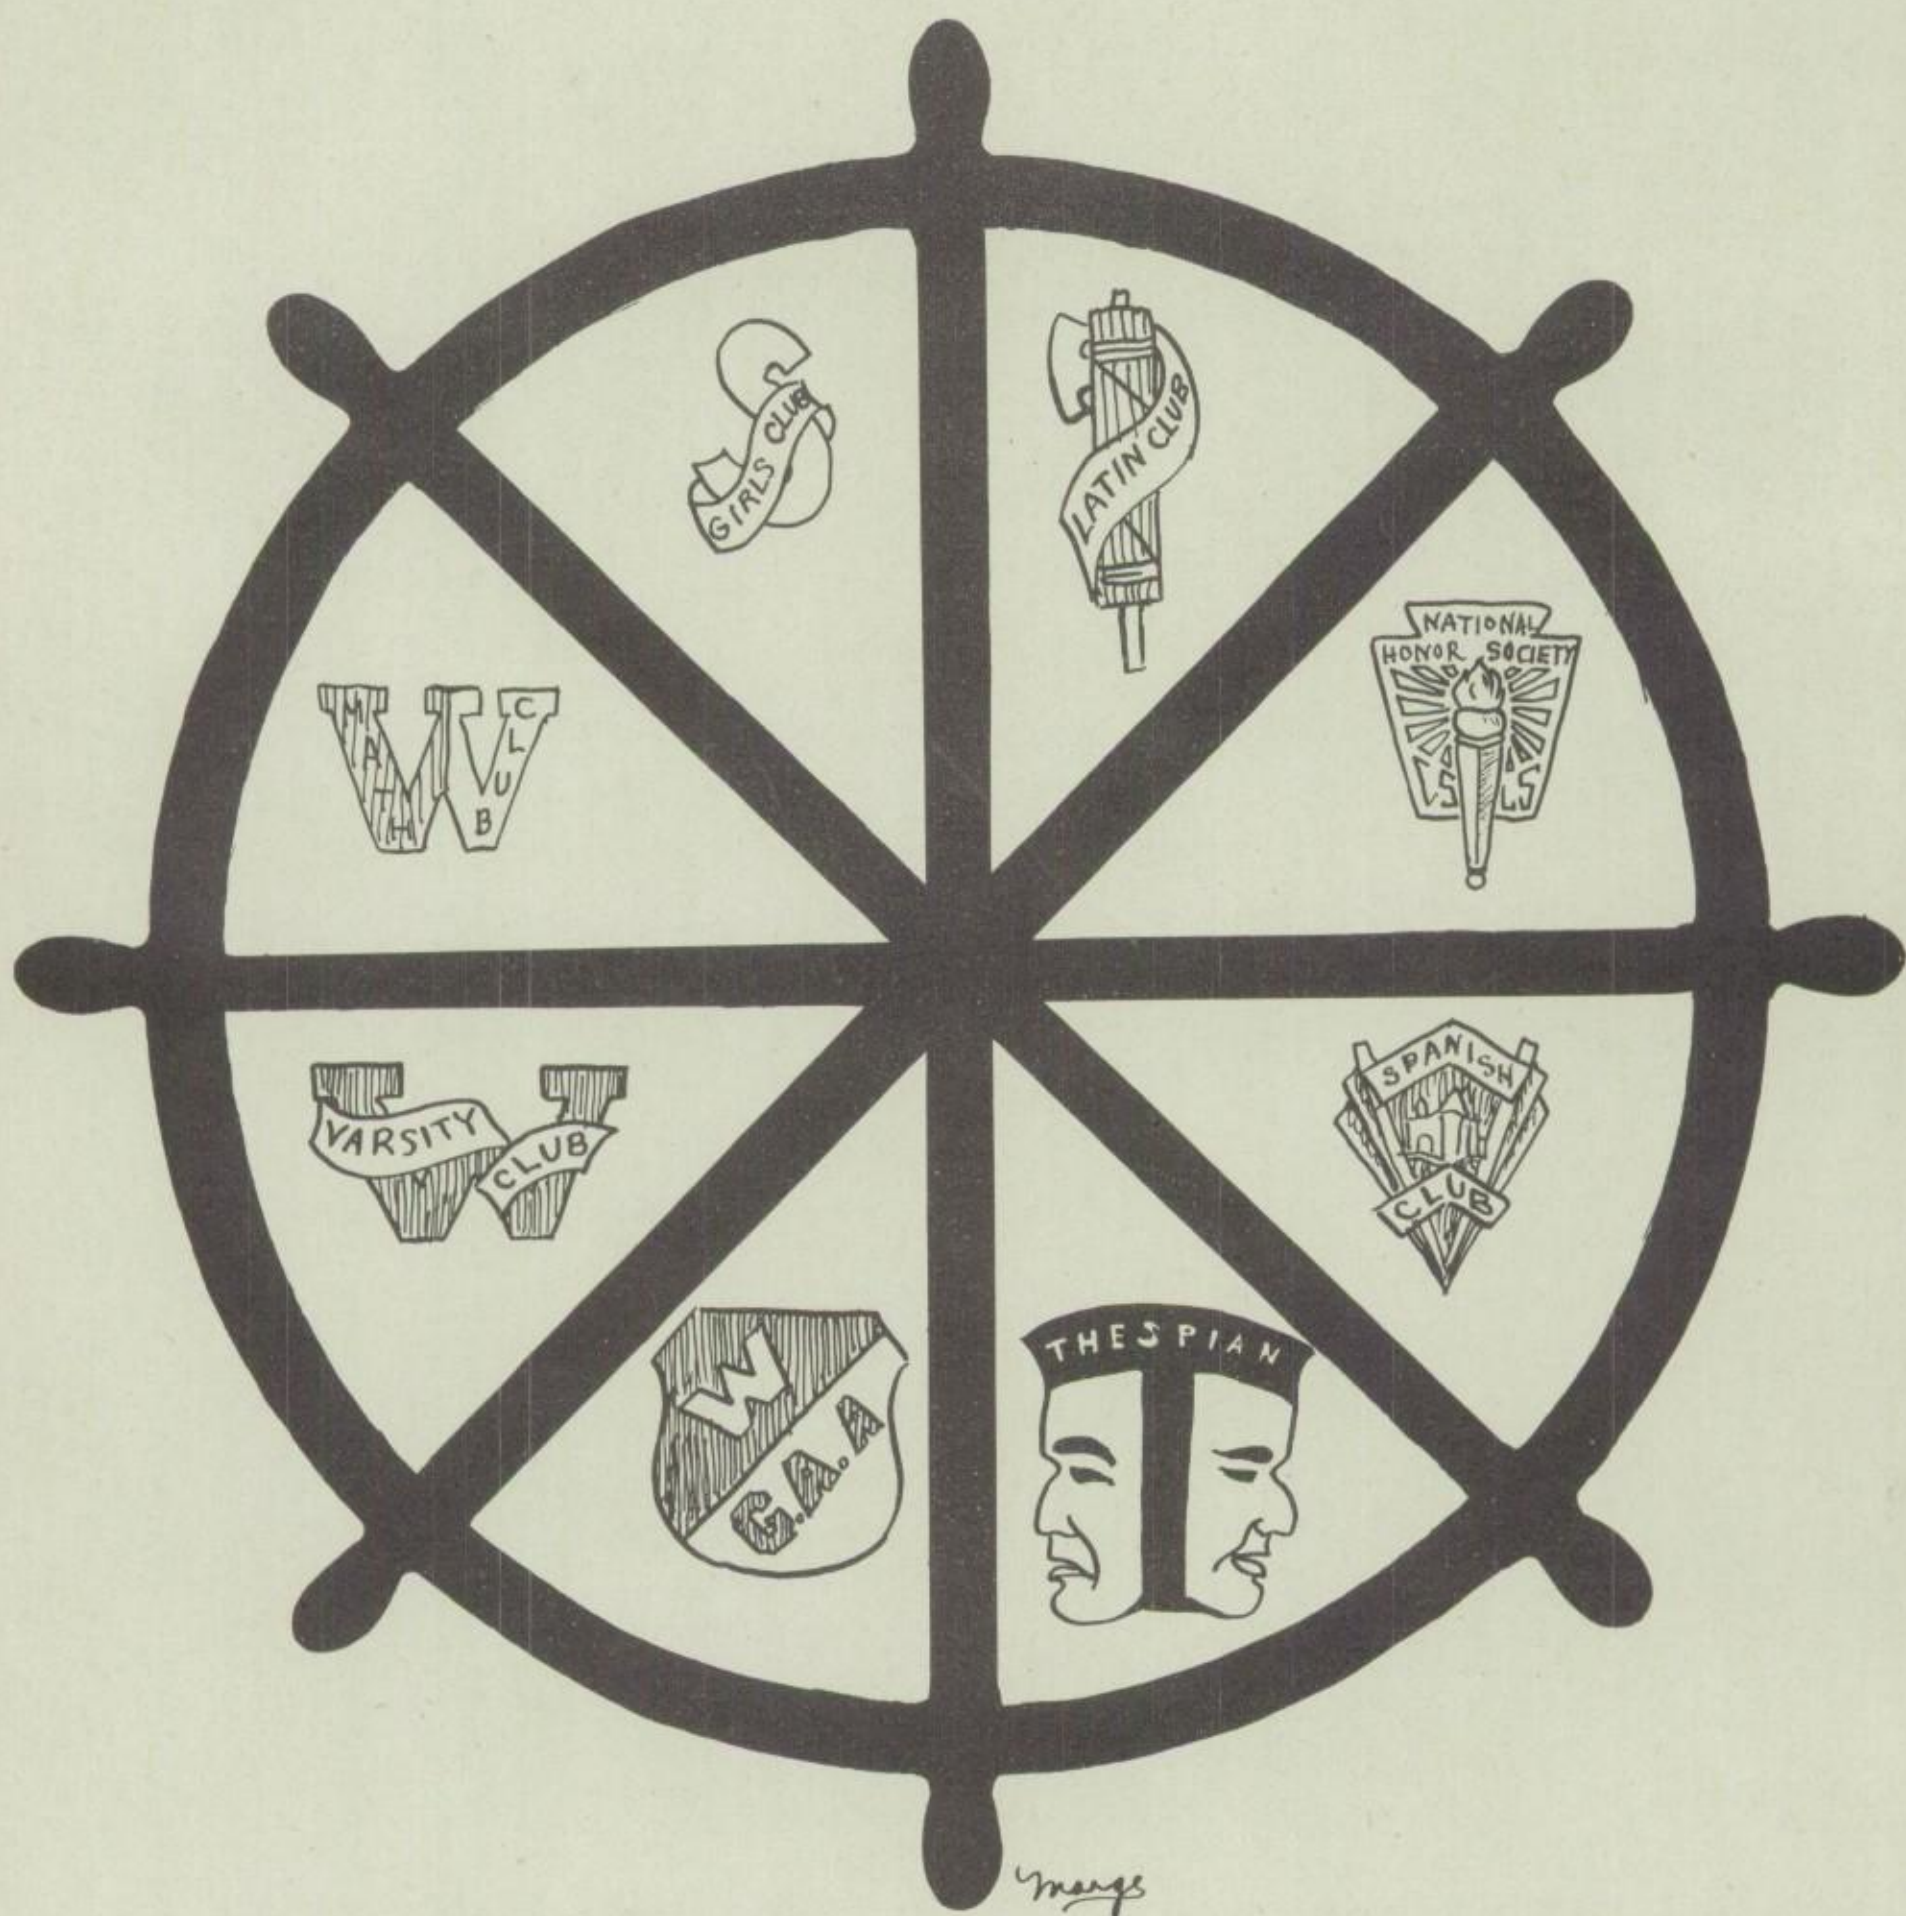

In individual sales, Jeannette Prieskorn sailed into first place, with Burl Greeley and Virginia Smith coming in for a close second and third.

Other high salesmen were: Ann Bird, Grant Mason, Lance Erickson, Virginia Castle, Ed McKaig, Ruth Franklin, Margaret Gerstner, Julia Schuyler, Marjorie Darling, Clarence Knight, Donna Benjamin, Myron Caton, Floyd Curtis, Helen Higgison, George Wootton, Beatrice Talaski, Caroline Bernal, Lloyd Hudson, Georgia Jamieson, Eddie Osborne, Kathleen McKinnon, John Caraway, Marion Muzyck, Ronald Mallott, Bob Laich.

Many worth while prizes were given away at the theater party held for the students who sold subscriptions. Among them were record players, radios, ice skates, and watches.

We sailed past our quota before we slowed down and the drive was successful.

The Student Congress has had a busy and successful year.

The Congress sponsored the Freshman Election, putting on a campaign assembly in the gym for the whole freshman class. They were hosts to the regional council-conference at McKenny Hall in Ypsilanti, and entertained about one hundred fifty students from fourteen schools.

There were successful dime dances for the Community Fund, Polio Fund, and Red Cross held in the gym.

The Magazine Drive held in February was a grand success.

The Congress purchased some valuable equipment for the school. In addition to furnishing the cheerleaders with new uniforms, they bought a new 16 mm sound projector, blue and gold velvet curtains for the stage, and complete photographic equipment for a camera club.

Several school policies were set up by various standing committees.

This has been one of the most successful and profitable years the Congress has had.

The band played and marched for five games in the 1946 football season. The most remembered was the trip to Dearborn to play for the big game of the season.

In January the band played for the installation of officers at the I.O.O.F. Lodge in Garden City.

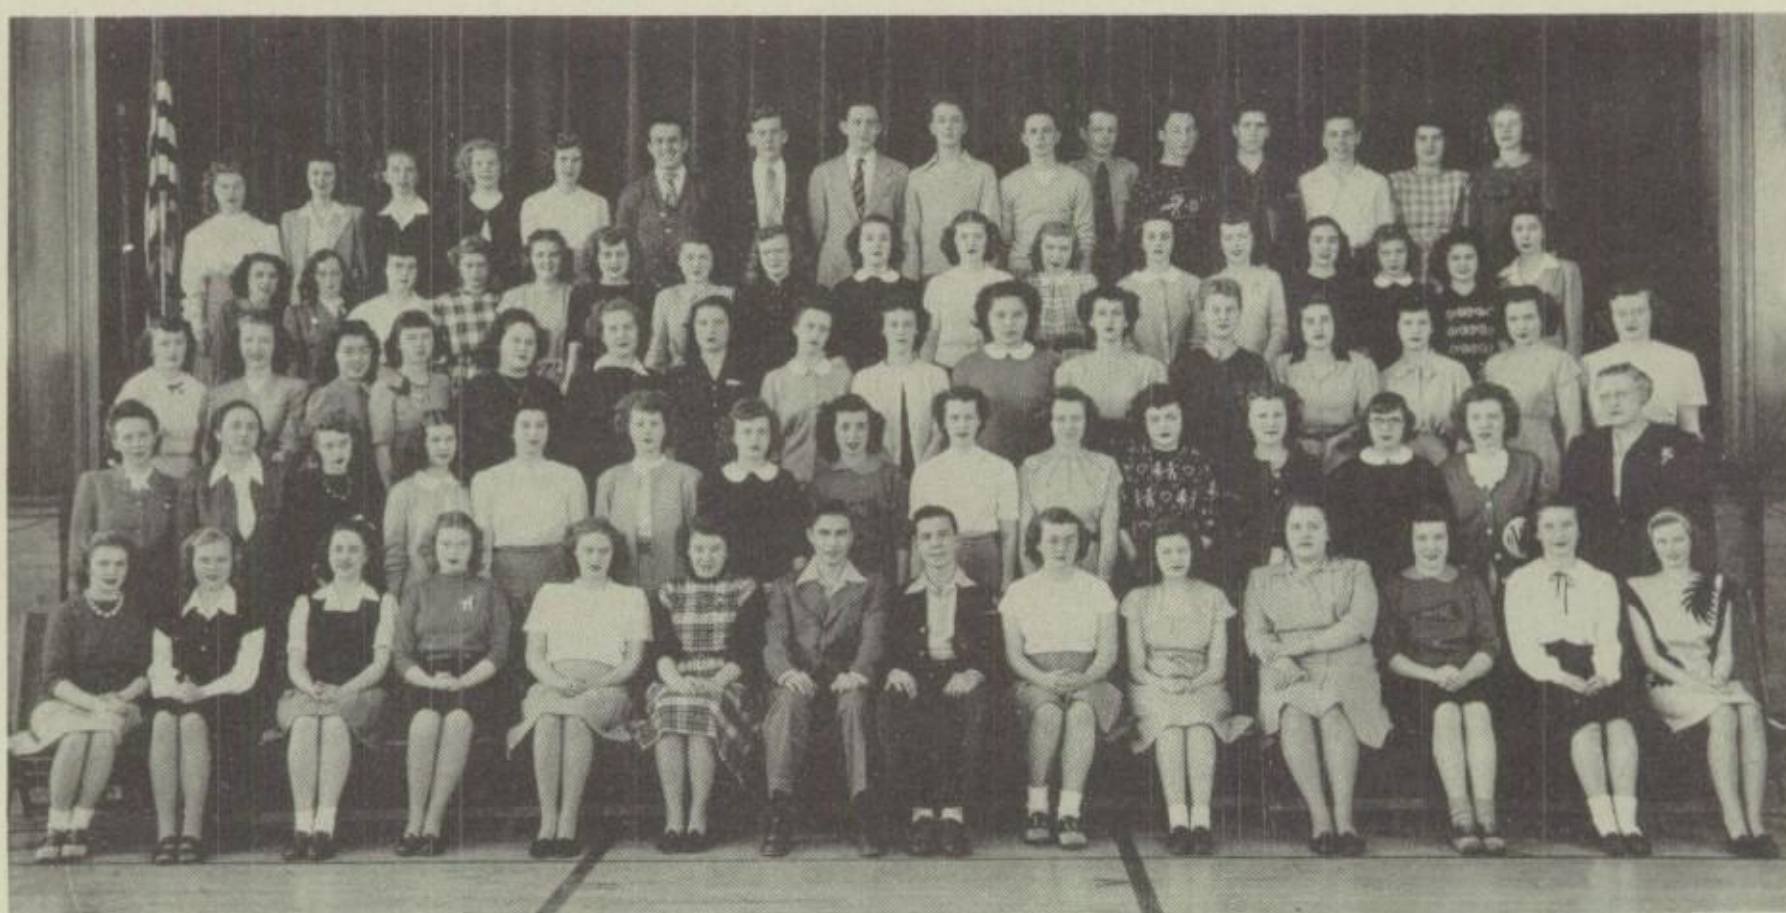

The District Band contest was held at Fordson High on March 22.

The six-B contest was held at Redford Union on April 23. This was an all day affair and was enjoyed by all. Small groups of singers and instrumentalists were selected from each school and made up a chorus and band. These were conducted by directors of various schools.

The annual Band Frolic was held on March 6 and 7. Band numbers and skits performed by students of the school made up the very entertaining program.

All band projects during the year were used to raise money for new uniforms.

The American Culture Club is made up of students of American History and American Literature. Juniors and Seniors are eligible for membership.

The high lights of this year's activity were the Christmas Assembly program, the initiation, the Valentine dinner, the Stephen Foster assembly program, and the annual Spring banquet.

The club attempts to create a greater interest in, and understanding of the various phases of our American Culture.

Miss Morse, Mrs. Bower, and Miss Weidenbach prove excellent sponsors for this group.

This is the first year since 1940 that Wayne High has had a regular four-page, tabloid newspaper. The staff has had to work efficiently and swiftly to accomplish all that they set out to do.

The first semester staff was chosen by a faculty committee from the applications of students for particular jobs and Hi-Lite was carried on as an extra-curricular activity.

Few members of the staff had had any previous experience in newspaper work but they were quick to develop a liking for the smell of printer's ink and were organized as a regular publication's class during the second semester. The class re-elected its staff in order to give more students the opportunity of serving in editorial positions.

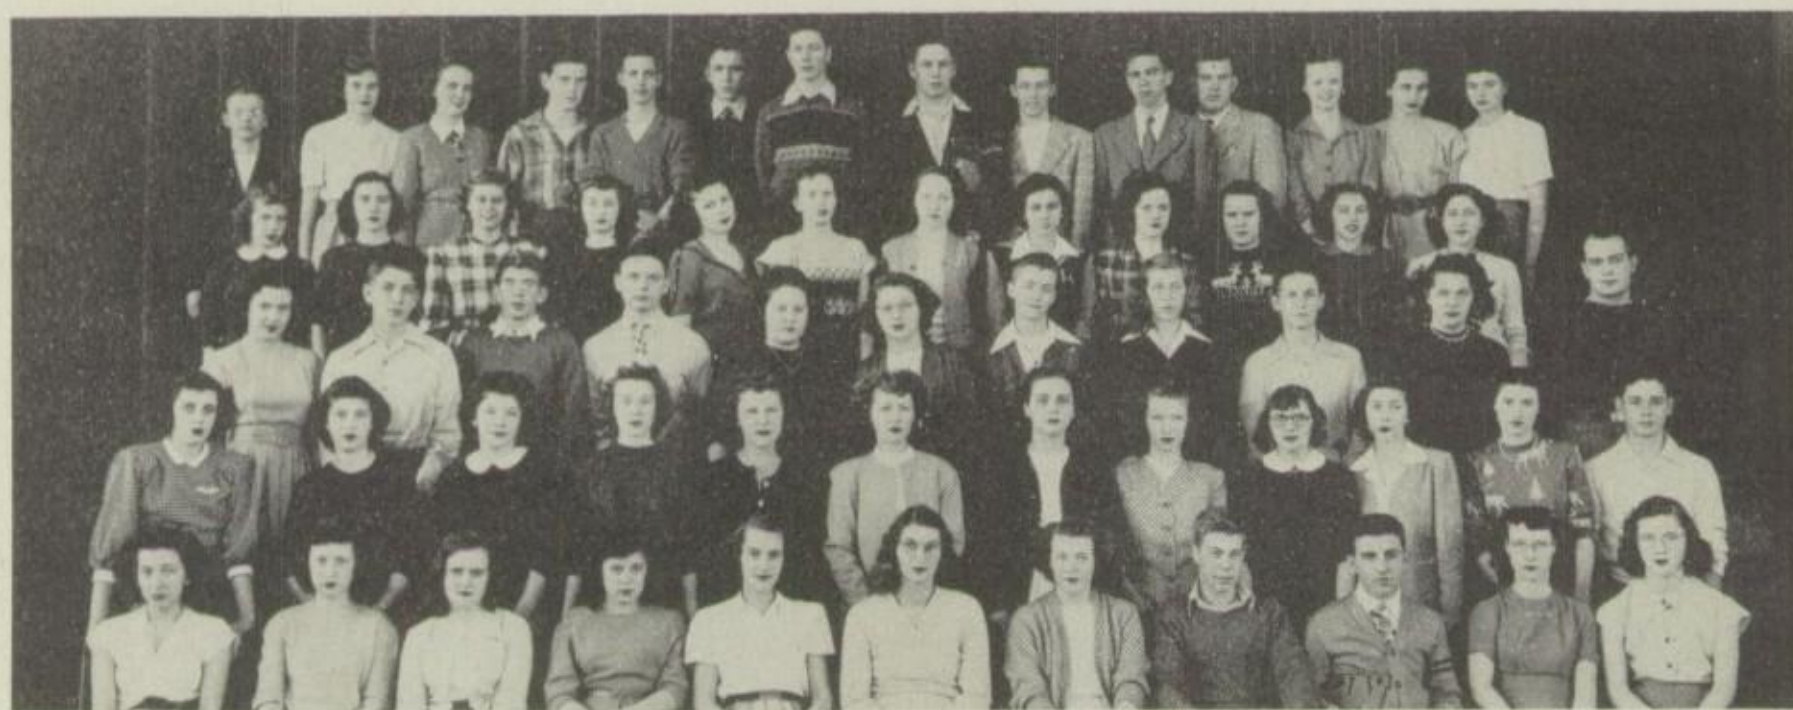

The feature of the year was a trip to the Detroit Times, which proved educational as well as entertaining.

Let us say in conclusion, that we hope every student and member of the faculty has enjoyed reading the Hi-Lite as much as we have enjoyed publishing it. We have endeavored to be of service to our fellow students, faculty, parents, and townspeople.

ZEBRA HISTORY

The Zebra eleven started off the '46 season with a practice game at Lincoln Park under lights and suffered its first defeat in 21 games. The final score was Lincoln Part 14, Wayne 0. The following week in the first league game, the Zebras tangled with the Plymouth Rocks and emerged the victors by a score of 14-7. Playing the second league game of the season with Ypsilanti, the Zebras proved that the old football spirit of do or die was present. Ypsi boasted the win, but the game was hard fought.

After the Ypsi game the Zebras hit a 2-game winning streak by beating Belleville 25-9, and Flint Tech. 14-6.

The Zebras and Dearborn Pioneers tangled at Ford Field, and Dearborn dished out Wayne's worst defeat by a score of 39 to 7.

We ended up the season by playing Midland, the Zebras coming in on the short end of a 19-7 score.

Girls intra-murals at Wayne High School has grown in leaps and bounds. In 1944 when an intra-mural program was organized, there were 175 different girls taking part. This year there were 200 girls for bowling, 160 for volleyball, 240 for basketball, 250 for softball, about 50 for table tennis, and about 100 for archery. This year will probably take in about 350 different girls.

Any girl in the high school may come out for intra-murals. This year we have started a Girls' Athletic Association and all of our sports are controlled by this organization. A point system is kept on file and awards are earned in this way. A leaders class is open to any Junior or Senior G. A. A. member wishing to assist in officiating, scoring, and time keeping.

Bowling in the fall, basketball, volleyball, and table tennis in the winter, softball and archery in the spring. Besides this, girls can earn points for such minor sports as tennis, golf, ice and roller skating, hiking and badminton. In these sports points are given on the honor system.
